

Change register item RCR-2026-041

Source	Annual look-back sampling per SOP-25 section 6: coverage verification of a live instrument
Instrument	Regulation (EU) 2023/1113 on information accompanying transfers of funds and certain crypto-assets (recast)
Provision under review	The obligations concerning transfers of crypto-assets involving self-hosted addresses, including the requirement, for transfers exceeding EUR 1,000, to verify whether the self-hosted address is owned or controlled by the crypto-asset service provider's customer, and the travel-rule information requirements for crypto-asset transfers generally.
Dates	In force 2023. Applies from 30 December 2024. Live obligation at the review date.
Captured by	Compliance analyst, 2026-09-02. Provision wording to be verified against EUR-Lex at S3; the summary above is the sweep note, not the legal text.
Status	Open. Relevance triage and gap analysis not yet performed.
